

RoboAgent is a suite of a **Stand Alone** proactive power prospecting tools:

1. **RoboAgent** Processes lists (Property and Casualty)
2. **Re-Quotes** Re-Processes Saved quotes (list) in Alliance (Property and Casualty)
3. **First Impressions** Processes real time internet leads, Social Networking, Telemarketing& Agency WEB non Allstate supplied (Property and Casualty)
4. **Robo4Life** Processes lists for Term Life insurance (Financial)

The Property and Casualty tools processes:

- Auto
- Homeowner
- Condo
- Renter
- Motorcycle leads

via Allstate's Alliance quotation system. This suite is comprised of "set-it-and-forget-it" tools that run as 24 X 7 as Alliance allows. These software tools allow the Agent to produce "client specific" quotes via using variable data in the volumes necessary to succeed in today's market.
